COURSE SYLLABUS

Aspiring Leader Program

This six-week program is designed to prepare employees for leadership and professional growth. Understanding the importance of planning early in one's career, it guides participants to develop a strategy for personal leadership and career development. The program has a target audience of GS professionals up to the Grade 7 level, or those who possess an equivalent classification in a wage grade series or in the private sector.

Group classes (Live Online) and onsite training are available for this course. For more information, email onsite@graduateschool.edu or visit: https://www.graduateschool.edu/courses/aspiring-leader-program
