## Course Outline

### Introduction to Career Transition Programs

- Overview of CTAP, ICTAP, and RPL
- Legal and regulatory foundations
- Eligibility criteria and definitions

### Managing CTAP

- Agency responsibilities and procedures
- Determining "well-qualified" candidates
- Documentation and record-keeping

### Navigating ICTAP

- Application process for displaced employees
- Required documentation and timelines
- Administrator's role in facilitating ICTAP applications

### Administering RPL

- RPL registration and maintenance
- Coordinating with hiring managers
- Monitoring and updating RPL status

### Best Practices and Compliance

- Integrating programs into workforce planning

- Effective communication strategies
- Evaluating program success and areas for improvement

## **Interactive Exercises:**

### **Eligibility Assessment Workshop**

- Participants will review case studies to determine employee eligibility for CTAP, ICTAP, and RPL based on provided documentation.
- Group discussion to analyze different scenarios and apply eligibility criteria.

### **Application Process Simulation**

- Role-playing exercise where participants simulate assisting an employee through the ICTAP application process.
- Practice in reviewing application materials, verifying eligibility, and providing guidance.

### **RPL Coordination Drill**

- Participants will coordinate with mock hiring managers to ensure RPL candidates are considered for appropriate vacancies.
- Discussion on best practices for integrating RPL considerations into the hiring process.
