- Federal Employee Health Benefits for Administrators (Self-Paced) (6 Hours)
- Federal Employee Retirement Benefits for Administrators: CSRS & FERS Introduction (Self-Paced) (12 Hours)

### Federal Human Resources Management Course (Self-Paced)

- Identify the principles upon which the federal human resources management (HRM) system is based and outline how they affect federal HRM decisions.
- Explore the compensation process, including classification, pay, and benefits.
- Describe how equal pay for equal work is accomplished.
- Explain the hiring process and how it is implemented in the federal government.
- Explain how agencies can improve employee engagement to ensure a satisfied, productive workforce.
- Discuss performance management in the federal government, including employee development and performance appraisal processes.
- Describe Equal Employment Opportunity (EEO), employee relations, and labor relations programs, including EEO complaint processing, agency administrative grievance systems, and union/management relations.

### Processing Federal Personnel Actions Course (Self-Paced)

Gain the expertise to document and process federal personnel actions with precision and compliance. This course covers

essential forms, terminology, and procedures to ensure accurate and efficient HR operations.

- Utilizing the Guide to Processing Personnel Actions for SF-52 and SF-50 forms.
- Selecting the appropriate nature of action codes, legal authorities, and remarks.
- Computing service computation dates and determining retirement coverage.
- Adjudicating and documenting veterans' preference entitlements.
- Managing within-grade increases, probationary periods, and career tenure requirements.
- Understanding the impact of allowable non-pay time on personnel actions.

## Adjudicating and Applying Veterans' Preference Course (Self-Paced)

- Know the circumstances when veterans' preference applies.
- Identify the types of veterans' preference, including veteran, spouse, widow/widower, and mother.
- Correctly adjudicate veterans' preference claims.
- Apply veterans' preference to competitive and excepted service appointments.
- Apply special appointing authorities for veterans in the following: Veterans' Recruitment Appointments (VRA); 30 Percent or More Disabled Veterans; Disabled veterans enrolled in a VA training program; and Veterans Employment Opportunity Act of 1998.

## Calculating Service Computation Dates Course (Self-Paced)

Learn to determine creditable service and compute all types of Service Computation Dates accurately. This course emphasizes hands-on exercises to verify service, apply SCD rules, and make necessary updates.

- Understanding what Service Computation Dates (SCDs) are and their importance.
- Determining creditable service for civil and uniformed employment.
- Verifying prior service and computing SCDs for leave, RIF, TSP, and retirement.
- Recognizing when and how to update an employee's SCD.
- Applying differences between SCD types, including severance pay.

## Federal Employee Benefits & SSA Entitlements for Administrators Course (Self-Paced)

This course gives HR professionals and retirement counselors the knowledge to explain how Social Security and Medicare benefits interact with federal retirement systems. You'll come away with a thorough understanding of eligibility, benefit calculations, and how these programs shape retirement planning for federal employees.

- **Social Security Benefits:** Explains eligibility requirements, benefit computation, and how Social Security integrates with CSRS and FERS annuities.
- **Medicare Coverage:** Describes Medicare Parts A, B, C, and D, including enrollment periods, coverage options, and coordination with FEHB plans.
- **Integration with Federal Retirement Systems :** Examines how Social Security and Medicare affect federal employees' overall retirement income and long-term financial planning.
- **Retirement Counseling Application :** Builds the skills needed to guide employees through the process of applying for Social Security and Medicare, providing clear advice on how these programs influence retirement timing and benefits decisions.

## Federal Employee Health Benefits for Administrators (Self-Paced)

This course provides HR professionals and benefits counselors with the essential knowledge to administer and explain federal

health and insurance programs. Participants gain a clear understanding of eligibility, enrollment, and key benefit features to confidently guide employees and retirees.

- **FEHB Program:** Eligibility, enrollment actions, plan types, and continuation of coverage.
- **FEGLI Program:** Basic and Optional coverage, life-event elections, and retirement requirements.
- **FLTCIP:** Eligibility, coverage features, and long-term care considerations.
- **Flexible Spending Accounts (FSAFEDS):** Health Care, Limited Expense, and Dependent Care FSAs, including contribution rules and tax advantages.
- **Social Security & Medicare:** Core eligibility, benefit types, and how these programs interact with federal retirement.

## **Federal Employee Retirement Benefits for Administrators: CSRS & FERS Introduction (Self-Paced)**

This course provides HR professionals and retirement planners with the essential knowledge to advise federal employees on retirement benefits under the Civil Service Retirement System (CSRS) and the Federal Employees Retirement System (FERS). Participants will gain an in-depth understanding of eligibility requirements, service crediting, benefit computation, and the Thrift Savings Plan (TSP) to support informed retirement decisions.

- Explain the features of CSRS and FERS
- Determine whether an employee satisfies retirement eligibility requirements under CSRS and FERS
- Determine how an employee's service is credited for retirement purposes
- Determine retirement coverage for employees who are newly hired, rehired, transferred between agencies, or convert from one type of appointment to another
- Help employees locate, identify, and follow appropriate regulatory and procedural guidance governing their federal benefits
- Explain the basic features of the Thrift Savings Plan
