Course Outline

Module 1: Class Introduction

- Course overview and what to expect
- Meet Brandon Webb: former Navy SEAL, entrepreneur, and author
- How high-pressure decision-making skills apply beyond combat

Module 2: Focus

- Identifying and eliminating distractions that derail your goals
- Techniques for maintaining laser focus under pressure
- Prioritizing what matters most in the moment

Module 3: Awareness

- Building situational awareness to spot opportunities and risks
- Reading your environment before making critical decisions
- Staying present and alert amid chaos

Module 4: Personal Growth

- Building self-esteem and eliminating self-doubt
- Turning setbacks into growth opportunities
- Developing a mindset for continuous improvement

Module 5: Action

- Pursuing the right opportunity and following through to completion
- Building an action plan to achieve your objectives
- Moving forward decisively instead of waiting for perfect conditions

Module 6: Excellence

- Overcoming hesitancy and indecisiveness

- Committing to an imperfect plan and adjusting as you go
- Raising your personal standard of performance

Module 7: Adversity

- Persevering through difficult conditions
- Refusing to quit when circumstances get hard
- Reframing unexpected challenges as opportunities for your best work

Module 8: Teamwork

- Making better decisions as part of a team under pressure
- Communicating clearly when stakes are high
- Trusting and supporting teammates during high-pressure moments

Module 9: Leading From the Front

- Leading by example in high-pressure situations
- Earning trust through decisive, composed leadership
- Taking ownership of outcomes, good or bad

Module 10: Personal Vision Statement & Goal Setting

- Crafting a personal vision statement
- Setting concrete, actionable goals
- Applying total-focus principles to your career and life
