COURSE SYLLABUS

Networking Tips for Women in Leadership (Self-Paced)

This course equips professional women with the tools and strategies to enhance their visibility and influence in the workplace. Through interactive discussions and practical exercises, participants will learn how to network effectively, build meaningful mentoring relationships, and create strong support systems to foster career growth and resilience.

> Group classes (Live Online) and onsite training are available for this course. For more information, email onsite@graduateschool.edu or visit: https://www.graduateschool.edu/courses/networking-tips-for-women-in-leadership-self-paced
