

Women in Leadership: Strategies for Success (Self-Paced)

This dynamic course is designed to empower women leaders by addressing key challenges and fostering essential skills for personal and professional growth. Participants will explore common confidence issues faced by women in leadership roles and develop actionable strategies to overcome imposter syndrome.

Group classes in Live Online and onsite training is available for this course. For more information, email onsite@graduateschool.edu or visit: <https://www.graduateschool.edu/courses/women-in-leadership-strategies-for-success-self-paced>
