- Marketing strategies for X (formerly known as Twitter)
- How to create and share blog posts

TikTok Marketing

Learn how to use TikTok for video-based marketing campaigns and create attention-grabbing content that drives sales and builds your following. This accelerated workshop explores the commercial side of TikTok and helps students develop a marketing strategy that works for them.

- Learn the history of TikTok and its social impact
- Develop a successful social media strategy
- Create visual content that increases engagement and drives sales
- Learn how to gain a following and expand your reach

Streaming for Social Media

Social media today has a variety of ways to showcase yourself or your brand to a wide audience, including streaming. Streaming has been a key component of social media content for over a decade. Now, content creators can use applications such as OBS to create an interactive experience for their audience. In this class, you'll learn about the main streaming platforms, including Twitch, YouTube, and TikTok, as well as the fundamentals of setting up your stream using the free application OBS.

- How to set up OBS for streaming
- How to stream to Twitch and its benefits
- How to stream to YouTube and its benefits
- How to stream to TikTok and its benefits

Social Media Industry & Portfolio

In this capstone course, discover social media marketing opportunities and how to optimize your online presence for job

success. Topics include brand research, campaign development, networking strategies for LinkedIn, and more. Prepare for a career in social media management and content creation.

- Learn about earned-first creative thinking
- Develop original ideas and learn how to showcase them in a portfolio
- Optimize your résumé and LinkedIn profile
- Enhance your social media presence

Social Media Marketing Capstone Project (Self-Paced)

Throughout this program, you will complete a capstone project to showcase in your portfolio:

- Create a complete social media marketing strategy by researching, planning, and designing a multi-platform campaign that reflects clear brand objectives, audience insights, and creative direction.
- Apply best practices in platform selection, content creation, audience targeting, and KPI development to propose a cohesive and data-informed marketing plan.
- Document and present your work in a professional marketing presentation, showcasing your research, strategy, content mockups, and campaign recommendations using tools like Canva, Figma, or PowerPoint.
- Work on your capstone project both in and outside of class, using scheduled mentoring sessions to review your progress, ask questions, and get personalized feedback from your instructor.
