

Effective Communication with Customers Course (Self-Paced)

Develop superior customer service by learning the basics of effective communication to successfully interact with internal and external customers. Become adept at recognizing and anticipating the needs of others; being flexible when handling requests and complaints; and spotting and responding to important verbal and nonverbal messages.

Group classes in Live Online and onsite training is available for this course. For more information, email onsite@graduateschool.edu or visit: <https://www.graduateschool.edu/courses/effective-communication-with-customers-online>
