

Empowering Women: Leadership Essentials

This course is designed to inspire, equip, and empower women to step confidently into leadership roles in the federal government. Throughout this journey, we explore the unique strengths, perspectives, and contributions women bring to leadership roles. Each module is thoughtfully crafted to address key aspects of leadership development and provide you with the tools, insights, and confidence to make a meaningful impact.

Group classes in Live Online and onsite training is available for this course. For more information, email onsite@graduateschool.edu or visit: <https://www.graduateschool.edu/courses/leadership-skills-for-women>
