## Course Outline

### Section 1

#### What is Graphic Design?

- Brief overview and discussion
- Elements of design
- Gestalt Principles

#### Word Work

- Letterform Anatomy
- Type Classifications
- Speed design with limited source material!

#### Design Assignment: Logo Design

- Brief slide show on what makes a good logo
- Design assignment: Choice of logo redesign for an existing company or create your own personal logo design.
- Create two distinct design options for your logo.

### Section 2

#### Design Process

- Explore ideation and the creative design process
- Logo exploration (Ritos del Sol, Vaya)
- Learn logo drafting using the template feature in Illustrator
- Introduction of Photoshop mock-ups
- Sketching exercise. Learn to work quickly and creatively within fixed parameters.

## Color Interaction

- What do colors mean?
- How do designers use colors effectively
- Color palettes: we will explore how to choose appropriate color palettes for different assignments

## Design Assignment: Identity System

Finalize your logo to design an identity system using a "color study" and complimentary typeface. Use this visual system to either create a stationery design or social media graphics.

## Section 3

### Typography

- Typographic Overview
- Type Selection
- Type Pairing
- Foundry Overview
- Optical Spacing

## Design Assignment: Book/eBook Cover Redesign

Create either a book or eBook cover design for a re-issue of a famous piece of fiction. Use type and imagery to create a visually appealing cover that will entice a reader.

## Section 4

### Historical Design Movements

- Arts & Crafts
- Art Nouveau
- Dada
- Destijl
- Constructivism
- Bauhaus
- Swiss International

## Design Assignment: Album Art Cover/Spotify Graphic

Create cover art for a band to be used for online purchases of music or streaming music services. Use a mixture of typography, imagery, and basic graphic elements, with consideration for different screen sizes and resolutions.

## Section 5

### Information Hierarchy

- What goes first? Second? Last? And why?
- Are there rules? How can we be creative within these rules?
- We explore the who, what, where, when, and why of laying out information.
- Learn about grid systems.

## Design Assignment: Event Poster or Email Announcement

Students will design a poster or email announcement for an event. Designs should convey a concept relating to the subject, and use a clearly identifiable visual hierarchy.

## Section 6

### Design Hero Slide Show

The instructor will show a brief slide show of past and present design visionaries

### Portfolio Criteria & Revision

- Ten points to consider when developing a professional Graphic Design portfolio.
- Recommended book list
- Revision, completion and collection of any final revised exercises or projects.
