

InDesign Certification Program

Learn page layout and design techniques as you build skills in creating professional flyers, brochures, and magazines. You'll work on real-world projects while preparing for the Adobe InDesign certification exam, gaining hands-on experience with typography, styles, and advanced formatting tools.

Group classes in Live Online and onsite training is available for this course. For more information, email onsite@graduateschool.edu or visit: <https://www.graduateschool.edu/certificates/in-design-certification-program>
